Lisa is the founder of Ooey Gooey, Inc. Lisa presents over 150 workshops each year to audiences across the country on various topics related to early childhood education, specifically how to be more play-based in the classroom. A highly sought after keynoter for educational conferences, Lisa uses humor and real life anecdotes to reach and engage her audiences. Lisa's current project is assisting educators with linking all aspects of a hands-on, play based, Ooey Gooey® philosophy to state mandated educational standards. She is dedicated to proving that playing is, in fact, "getting them ready" for school.
